**1. Collecting Fees**

We are having trouble collecting fees. We are working towards getting our staff paid and we are falling short. We are looking for Parents to get caught up with their fair shares from Fall and Winter. There is Fall season Marching band, Winter season (Drumline, colorguard) and Spring. Spring and Fall are tied together. Spring is parade season. Fees in Spring we let the students work off. We hold off on spring charges to determining if students have enough points (12 fundraiser points they then owe 0, 8-11 points owe \$75, 0-7 points owe \$150) Parents have so many hours they have to volunteer or they have to pay off. We have not charged for parents yet as we wait until the end so parents can get their hours. The cut off date is one week before May 11th we go to Spokane. There are Fall parent hours and Winter parent hours. Here is a link to the handbook for more details.
