

Century Band Boosters
Board Meeting minutes
October 3, 2023

Old Business

1. Follow up on the fraud. Parents may want an update. How is the gofundme doing? The gofundme is doing well. There is \$1,500 in gofundme and we received a \$1,000 check.

2. Century Showcase

Sign up genius for Aurea is filling up fast. Century band sign up genius will be sent out next week. Looking for food venue fundraiser for our showcase.

3. Volunteer logging hours

Going well for the people who want to use it. Less than half of parents are using the volunteer app. Volunteer awards for parents who are not on the board. Most hours. Most chaperone trips. Volunteer of the month. Many volunteers at the last can drive. Jason will teach Lynda how to use the app so she can help parents who come to her for help.

4. Hawaii updates

Contract has been sent along with a check and the check just cleared. We have quite a few people who have paid. Sending another check in October. Must pay fair share to go to Hawaii.

5. Background checks (On Centuryband.org website under Information and then parent information)

New Business

1. There is a board meeting scheduled on December 5th. There is not a parent meeting on the calendar in December. Do we want to have a parent meeting in December? Parent meeting will be held on December 5th. Board to meet 6-7 and Parents meet 7-8.

2. Yakama

Need to know how many parent volunteers are going to finish the paperwork. Leaving at 5pm on Friday the 20th and returning about 2pm Sunday,

3. Treasurer business

Email will go out about expenses vs. payments. No way to keep track. Information on envelopes has to be legible. On the envelope we need the student name, the amount of the check inside and what the money is for.

4. Pie sales

Took away the hand pies and cobblers. Increased prices. Pies at \$18.00. (Cherry, Marian Berry, Apple, Pumpkin, Oregon Berry), Crustables at \$10.00. Variety pack at \$25.00. Cost is more in the store to buy Willamette Pies. Runs October 11th - 30th Pies delivered on the 13th. Students get \$7.00 in their account per pie.

5. Ricky Rescue Non-Firefighter Crowd Management. [Crowd Manager Training - for Civilians and Non-Fire Service \(rickyrescue.com\)](http://rickyrescue.com)

Mr. Dunlop has asked all board members to take the course. The certification is good for 2 years. Need one for every 250 people to come in. We currently have 8 people with certifications.

6. Jackets for kids can be purchased for \$50.00 plus \$10.00 to have their name sewn on.

7. Winter shows

Wanting to add one more show for Winter Percussion. Looking to do that at Liberty.

8. E-Mail fund raiser.

Where the kids send emails asking for donations for their Hawaii trip. Put together a letter saying I'm going to Hawaii this year and this is the cost would you like to donate to help me. Potentially getting together in the computer lab. Before Christmas.

9. On the calendar there are a couple of Jazz Dates that we want to be concerts that we can make money off of. One is January 5th, a blues concert. Another is April 5th (Swing Spring)

10. Band officers want to do a scary fun movie the Monday after championships.

11. Points for kids. May lower the expected number for the overnight in December.

12. Fred Meyer points. If we could double the amount of people signed up to give to Century Band. Godfathers pizza gives a percentage to us if you tell them you are with the band.

13. Cadet Winter season. We need to have a winter cadet drum season and we need to have a cadet guard. To grow and get some kids to do it. Some of our 7th and 8th graders who have been in the mini's are going to Glenco cadet. The circuit rule is we have to give them permission. We have let them know we will need to have them here.
