New Business

5. Accounting updates

We don't get paid quickly from concessions. We have to wait for their payments.

6. Uniform updates

Appreciate all who have helped washing band uniforms. I have 2 groupings ready for tonight if you'd like to take them home and wash and return them next week.

We do have some guard uniforms to be washed and Morgan will reach out to guard parents for help with those.

7. Fundraiser updates

Can Drive this Saturday has been changed to 1/20. Mr. Dunlop has some ideas for getting a point if your student is having to go to competition or rehearsal. Jazz auction in April. Maybe doing it at Century if we can't find a better venue. Working with Providence Hospital to pair up for the fun run in May. If you have an idea for a fundraiser please let Christina Saribay know.

Opportunities coming up to build props for Drumline and Colorguard. We will let you know once we have it all figured out.
