Century Showcase meeting following Parent Meeting

Through ticket sales and concessions is how we make our money back. This is an expensive fundraiser. This is a fun time for students.

The challenge is getting everything covered. Invite other people to come help us out. We need additional help in the parking lots and security. Security can ride around in golf carts telling people what to do.

Check out the sign up genius. If you have time but it is less than the shift please just let us know.

Volunteers come in gate B. Then check in under the tunnel and check in.
