February practice is just for the students going to Hawaii. Winter programs will do some of the practices during their regular practice. Quick practice maybe for an hour. Date to be determined.

New Business

## **1. Fall Handbook VS. Winter handbooks. Cost discrepancies.**

Only 1 handbook that covers the entire year. If coaches want to make a winter handbook then it needs to be generic and not have to costs and if it does then it must match the fall handbook.

## **2. Accounting updates**

1 can drive got us 3,600

Tax information was wrong and came back. We currently have the taxes at a CPA to check them over and get them ready to be filed again. The cost for a CPA is already in the budget.

Adrienne has been providing us with a free copy of Quickbooks. This is her last year so we will need a new service. We have a plan. We will use a bookkeeping service. Jason will keep us updated.

One more around again band.

## **3. Fundraiser updates**

Candy gram if you bought 2 students get a fundraiser point

There are plenty of opportunities to get points.

Pie event coming up. If our band sells \$5,000 worth of pies they will give us \$500 off. In the fall we sold \$6800 worth.

## **4. Volunteer updates**

Next Showcase is October 26th. We are the only show that day.

We'd like to get some food carts. We have to check with the Stadium.

How about selling shirts?

Finals in Eugene may be split in half in the Fall. So many bands. Single A and Double A at the Hillsboro Stadium with Liberty running it. And doing the championships for the triple A and open bands in Eugene.

Our regular show Oct. 26th and then U of O for championships on Nov. 2nd.
