 - Volunteer Coordinator: Joy Trimble
 - Adreann Randle second
- A vote was taken. There were no objections to the new board nominations. Congratulations to next year's booster club board members!
- We really need to fill the Fundraising VP position asap so that Barb can start passing on information. Fundraising is how we keep our fair share fees so much lower than the other HSD bands! Here is the description of the job from the booster club bylaws. Barb will share more detailed information with everyone after the Disney trip:

E. The Fundraising Vice-President shall:

- Manage all fundraising events, activities for the program, including but not limited to Marching Band, Colorguard, Winterguard, and Percussion. Complete fundraising activity request form and submit to CHS office for approval prior to the fundraiser. Manage fundraiser communication via Secretary and use of Facebook. Direct communication with fundraising companies. Manage fundraising products upon arrival & sort/distribute products as needed. Keep Fundraising notebook updated with details of duties, fundraising information/results and contact information.
- Rose parade- The Rose Parade is happening they after graduation. Practices for it are on the calendar (5/17, 5/26, 6/2, and 6/8). The parade route will be different than usual. If you plan to go watch, make sure you look up the new route. We will meet early in the morning. We will have a school bus taking us both ways. We will order shoes for new

marchers. Don't buy them on your own because our shoes all match and we special order them. Seniors are welcome to join us for the parade but they don't have to.

- Mt Hood Jazz festival - The combo played well. We are still waiting to see scores.
- Graduation- All band students will play for graduation (all classes and percussion class). There will be a bus to the stadium and back. We will need chaperones willing to ride the bus. We will leave about 4:30 pm and be back at Century around 9.
- CHOMP
 - We could use a couple of adult volunteers to help with the concert. Please contact Joy (volunteers@centuryband.org) if you would like to help.
 - The concert is this Thursday (5/12) at 8:00 pm. Chomp students will meet at the regular time and have a rehearsal before.
- Fundraising
 - Auction 5/14. Check in time for those attending will be 5:30 pm. We are using new auction platform that we have never used before. Please be patient with us about it as we are still figuring out all of the details. People will be able to join the auction remotely. We can not ship items after the event though so work that out with friends and family who join to get their items to them. Instructions will go out soon. People will be able to sign up and bidding will start a few days before Saturday.
 - Can drive (5/14). Saturday 9-1 (Points starting over for next year so come earn fundraising points for next year!)
- Treasurers
 - The Century webstore has been down the last couple of weeks while HSD changes the software being run to use it. There has been some delay getting payments from the book keeper because of that. Everything that was paid by square or put in the box as of yesterday has been entered into everyone's accounts. Let Monica and Adreann know if anything is missing. You can now pay through Zelle also if you use the band treasurer email (treasurer@centuryband.org). Make sure that you put what the payment is for and your student's name in the comments.
- Disney trip
 - Forms for medication can be found here:
 - <https://www.centuryband.org/student-documents>
 - All medication must be in original containers, in a ziplock bag with a form.
 - Meds can be dropped off in the band room on Wed. (5/18) from 5:30-6:30 pm.

- There is no school bus back from the airport. Please come pick up your student in a timely manner when we are scheduled to get back to Portland. Students may not take the train back to Hillsboro without an adult
- Mr Dunlop recommends that the students bring some money for food. We will provide breakfast and give them \$20/day to cover lunch and dinner but Disneyland food can be expensive.
- Students will be in charge of their own airport food both directions.
- Some bus companies require masks so everyone should bring one.
- Students will be able to change groups for Six Flags in case their group doesn't want to go. Because of the way the tickets work, everyone will need to start Sunday at Disneyland and they will be able to go to Six Flags after 1 pm.
